

YOUR HEALTH IS OUR #1 PRIORITY

If you're worried about the coronavirus (COVID-19), please be reassured that we are following the health and safety guidance as prescribed by the Centers for Disease Control and Prevention (CDC), as well as the local public health department.

Here are the actions we are taking

Keeping People Safe

We train our employees on health and safety standards.

We practice good hand washing and take temps of our children

We actively encourage sick employees to stay home.

We have screened families and encouraged social distancing

Securing a Healthy Environment

We are deep cleaning and disinfecting our business including high-touch surfaces.

We are opening windows or adjusting our heating/cooling to maximize ventilation.

We are separating play areas in different centers to be aware of distances

We are monitoring any changes with local and state and federal officials

Creating a Flexible Workplace

We are assessing the risks of business and professional development travel.

We are using videoconferencing for meetings and events where possible.

We are prioritizing tasks that require gathering and postponing ones that are risky

We are allowing those who can to work at home while keeping our doors open for parents

If you have any questions or concerns,
please ask for the manager or contact us at
